## POKOs Additional Follow-Up

Martin O'Grady (#2343)

I have been working with Dr. Frans Rummens, editor of *ASNP Journal and Newsletter* on the

TD      N.V. Oliefabriek T. Duyvis Jz: city, Koog  
aan de Zaan

The major changes are:

CSE      Name and city identified

DEB      Change in name

GvU      Questionable POKO

H        POKO addition

TD      Change in Name, change in city

The underlined portions are the important part. Most all of what Dr. Rummens changed was the construction of the Dutch name. This listing is made up to easily identify the firm name against the POKO letters involved, e.g., IG "Insuline Gronihgen = IG".
